7 Reasons to install a central Vacuum in your Home

1. **Healthy Air**—Central Vacuum Systems totally eliminate the re-circulation of dirty air inside your living area
2. **Vacuum Power**—3 to 5 times more cleaning power than most vacuums
3. **Convenience**—Just connect the hose to any convenient outlet. No heavy unit to push, pull or drag and no cords to trip over.
4. **Home Value**—Increases the market value of your home
5. **Less Noise**— Eliminate the loud irritating noise of portable vacuums, the unit is located outside your living space.
6. **Versatility** – Dozens of attachments designed to clean any type of surface
7. **Cost Savings** - Prolong the life of your carpet, drapes and furniture due to the increased deep down cleaning power

Installation Services & Pricing

Pricing for an average central vacuum system is between \$1299 and \$1999 depending on the Brand and Model which includes the power unit and all accessories. We have 4 brands to choose from including Modern Day, Simplicity, Nutone and Hayden.

Inlet Pricing:

The rule of thumb is one outlet for every 600 square feet with a 30 foot hose and every 800 square feet with a 35 foot hose.
